To: Elmer Borough Land Use Board

In regards to our request for a use variance for the property located at the 30 State St Elmer, N.J 08318 Block 18 : Lot 10. We would like to request a use variance to allow us to add three additional containers for storage. We are requesting a variance to install (two) 20x8 clean painted storage containers and (one) 40x8 clean painted storage containers. These containers are used to store excess project materials as due to supply chain issues some material need to be ordered and stored for our projects. We currently have zoning approval for three 20x8 containers.
