

Get the Lead Out, Elmer
A U.S. EPA Initiative

Exciting Community News:

We have partnered with EPA's
Get the Lead Out Initiative!

As part of our commitment to health and safety, we are initiating field verification checks to complete a federally required water service line inventory. *The process is quick and easy!*

Questions? Contact the Elmer Borough Water Department
at 856-358-4010, ext. 110.
